Unit

Dimensions (W x D x H) - 299 x 206 x 178mm, Weight - 2.5kg

[1] For best performance it is recommended to use a carrier sheet for the following weights: 27-39 gsm

[2] Maximum number of scanned pages per day can be used to compare designed durability between like Brother products. For maximum scanner life, it is best to choose a scanner with a duty cycle that far exceeds your scan requirements

[3] Supported using software download from the Brother Solutions Centre <http://solutions.brother.com>

[4] All available with supplied software

[5] Capacity varies dependent on paper weight.

[6] Document sizes larger than A4, but not exceeding A3, can be scanned (single-side) using carrier sheet

[7] Windows® only

[8] Can scan documents longer than A4 size. When using Brother (TWAIN/ISIS) to scan at 200dpi, the maximum scanning length is 5,000 mm
