01

LARGE EMBROIDERY AREA

240 x 360mm

Enjoy the freedom of creating large projects and designs with the 240 x 360mm embroidery area, which makes stitching multiple designs together in one hooping effortless. High-quality results are ensured thanks to the rubber plates on the sides of the frame securing your fabric in place.

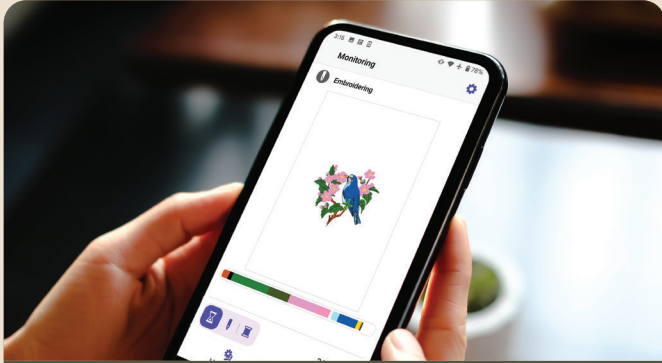

02

MAGNET FRAME FOR EASY HOOPING

300 x 180mm

Make hooping and embroidering fabrics easier by affixing the optional 300 x 180mm magnetic frame on your machine.

03

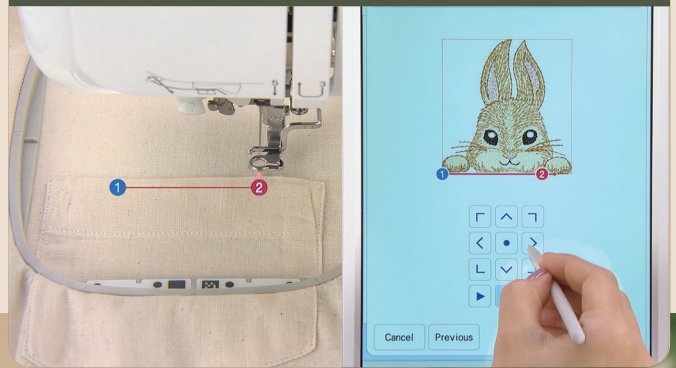

MY STITCH MONITOR

Easily monitor and receive updates about the progress of your embroidery by wirelessly connecting your smart device to your machine using the My Stitch Monitor application. View information such as thread colours and thread brands of the embroidery with ease.

04

2-POINT POSITIONING

Experience easy and precise stitching on your embroidery designs through Brother's industry unique 2-point positioning laser technology that offers an indicator on where your machine's needle will drop on your fabrics by lighting them up.

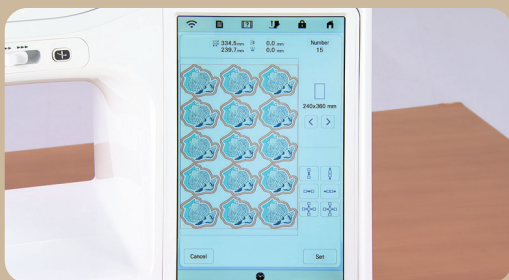

05

FAST EMBROIDERY SPEED

Complete your designs swiftly through the machine's quick embroidery speed of **1,000spm**, saving you time while providing professional results.

06

MATRIX COPY

Place multiple copies of the same design on your designs easily and swiftly with a single button tap using the Matrix Copy feature.

07

IN-THE-HOOP PATTERNS

Enjoy creating projects all within the interior of the embroidery frame using In-The-Hoop patterns.

08

COUCHING EMBROIDERY

Stitch couching patterns onto a variety of products with ease using the machine's couching embroidery foot set. Typesets and designs built into the BP3700 allow for greater expressions of your creativity with your designs.
