E110VP

# P-touch E110VP

Create labels in various colour combinations and widths that last for many years with this professional label printer. With dedicated functions to make common labelling tasks quick and easy, and with everything supplied in a hard carry case, the PT-E110VP is an invaluable tool for electricians and other professional trades.

## Fast 20mm / second print speed

Gets the job done quickly by printing each label in just a few seconds.

## Graphic display

Easily view symbols and preview your label before printing.

## Cable wrap

Identify cables quickly with easy-to-read labels.

## Face plate

Label socket outlets, network points and telephone extension faceplates for quick identification.

## Cable flag

Select your cable diameter to print the correct length of label.

## Sequential numbering

Print labels containing a sequence of numbers or letters.

## Dedicated number keypad

Speeds up the input of numeric labels.

## 200 built-in symbols

Includes common electrical, datacom, AV, security and safety symbols.

## P-touch laminated labels – designed to last

Brother P-touch laminated TZe tapes are available in many different colours and sizes. The thermal transfer ink is sandwiched between two protective layers of PET (polyester film), protecting the text against the effects of liquids, abrasion, temperature, chemicals and sunlight. As the labels have been tested to the extreme, you can be confident of a professional quality label that has been designed to last.
